## Sandridge Maintains Audubon Certification

Sandridge Golf Club has again been recognized as a "Certified Audubon Co-operative Sanctuary" status and has maintained this certification since 1999. Sandridge Golf Club was the 26th course in Florida and 191st in the world to receive this honor with about 900 courses currently worldwide holding this distinction.

To reach certification, a course must demonstrate that they are maintaining a high degree of environmental planning, wildlife & habitat management, integrated pest control, water conservation and water quality management.

Congratulations to International Golf Maintenance's Ryan Duffel and Chuck Calhoun for this distinction.
