Sandridge Maintains Audubon Certification

Sandridge Golf Club has again been recognized as a "Certified Audubon Co-operative Sanctuary" status and has maintained this certification since 1999. Sandridge Golf Club was the 26th course in Florida and 191st in the world to receive this honor with about 900 courses currently worldwide holding this distinction.

To reach certification, a course must demonstrate that they are maintaining a high degree of environmental planning, wildlife & habitat management, integrated pest control, water conservation and water quality management.

Congratulations to International Golf Maintenance's Ryan Duffel and Chuck Calhoun for this distinction.

Welcome Back! From Bela Nagy, Director of Golf

Welcome back to all of our seasonal residents of Indian River County this Winter. We are excited to introduce our new Short Game center which will include an area dedicated to improving your short game including three chipping/pitching greens and three bunkers. You will be able to practice uneven lies as well and work on lowering your scores! This summer we continued to remove more nuisance vegetation including Brazilian Pepper trees on #9 Lakes.

There is now a brand new restroom on the Lakes Course between holes #4 and #5 along with a water station.

We are super excited about the upcoming season and hope you enjoy your time at Sandridge Golf Club.

Happy golfing!
